

Subject: New oil for 2013 and newer 3.0 V6 (AJ126) & V8 (AJ133) Engines

The Jaguar Land Rover 2013 V6 and V8 engines require specific oil for warranty purposes meeting engine oil specification ST JLR.51.5122: The Edge Professional E 0W-20, manufactured by Castrol has been engineered to ensure optimal performance for these vehicles.

**EDGE Professional E 0W-20 is also suitable for use in older Jaguar Land Rover vehicles where WSS-M2C-925-A may be specified (EDGE Professional OE 5W-20 (JLR)).**

The product will be ready for orders immediately. With a 10 case maximum per Dealer during product launch.
