Recalls			

Recall ID: #168843**Description**

Jaguar Land Rover North America, LLC (Land Rover) is recalling certain model year 2016 Land Rover LR4 vehicles manufactured May 3, 2016 through May 10, 2016. The affected vehicles have driver side frontal air bags that may not inflate properly.

Recall Date

06/16/2016

Remedy

Land Rover will notify owners, and dealers will replace the driver side frontal air bag, free of charge. The recall is expected to begin on August 5, 2016. Owners may contact Land Rover customer service at 1-800-637-6837. Land Rover's number for this recall is P086.

Consequence

An air bag that does not inflate properly may increase the risk of injury to the driver in the event of a crash.

Potential Units Affected
